

BID MORE WORK IN LESS TIME.

Estimating & Bidding Software

What's the key to winning bids? Having a solid estimating solution that delivers much more than good estimates. You need software that supports the way you estimate, adapting to your specific market and environment. One that not only helps you bid, but bid more and win more with greater confidence, speed, and accuracy.

That's why over 2,500 companies rely on **HeavyBid** every day. And so can you. You'll find that **HeavyBid** doesn't just help your estimating department become more efficient; it streamlines your entire company by integrating with your accounting system, scheduling software, and job and resource management software.

It all starts with the bid. Start it off right with **HeavyBid**.

Top Features

- Sub and material quote management
- Quick and easy last-minute changes
- Thorough and efficient estimate reviews
- Historical estimating data
- Seamless integration with other software, including **HeavyJob**, scheduling software, and your accounting system

Top Benefits

- Bid more work in less time
- Spend more time actually estimating
- Estimate with greater accuracy and confidence
- Reduce risks and mistakes
- Streamline more than just your estimating

"HeavyBid has been the key to the success of C.W. Matthews for more than 10 years and will continue to be the cornerstone of our estimating department."

Mike Kleuckling, VP of Estimating
C.W. Matthews Contracting (GA)
